

GOOD, GOOD NEWS!

1. Reason to be groovin', reason to rejoice,
You've got every reason to be lifting up your voice.
We're out on a mission, we're the ones who know,
Gotta go tell Mary and we gotta go tell Joe.
(With optional harmony)
Ooh-ah, let's go.

CHORUS *We've got that good, good news,
Get on your dancing shoes,
We've got a song.
We're angels on the move,
We've got that disco groove,
Oh yeah, come on!
Nazareth, we're coming for you!*

2. Get yourself together, get yourself in gear,
It's our job to share the greatest news you'll ever hear.
Time to raise our voices, time to let them know,
We've got news for sharing, so turn up your stereo.
(With optional harmony)
Ooh-ah, let's go.

CHORUS
