

NO WAY!

Mary (with Joseph on repeat; all second time through)

Somewhere to stay,

We need somewhere to stay.

(Repeat, 1st time only, with optional harmony on the repeat)

Innkeepers

It's Friday night in Bethlehem

And everyone has travelled in,

If you expected, 'Come on in!'

Then we've got news for you.

All

CHORUS

No way, there's no room, we're chock-a-block-a,

Goodbye and good luck in finding somewhere!

What in the world made you think you could stay here tonight?

No way, there's no room, you must be kidding,

You can't come knocking without a booking,

What in the world made you think you could stay here tonight?

Goodbye and goodnight!

Repeat first two sections

FINAL CHORUS

No way, there's no room, we're chock-a-block-a,

Goodbye and good luck in finding somewhere!

What in the world made you think you could stay here tonight?

No way, there's no room, you must be kidding,

You can't come knocking without a booking,

What in the world made you think you could stay here tonight?

(Quietly)

No way, there's no room, we're chock-a-block-a,

Goodbye and good luck in finding somewhere!

(Louder)

What in the world made you think you could stay here tonight?

No way, there's no room, you must be kidding,

You can't come knocking without a booking,

What in the world made you think you could stay here tonight?

Goodbye and goodnight!
