

ONCE IN A LIFETIME

Shepherds

1. We left our sheep,
We welcomed adventure,
We took a leap,
Had faith in the story we'd been told.

Kings

2. We saw it shine,
We knew it was calling,
A God-sent sign,
We trusted and followed where it led.

Shepherds & Kings

CHORUS *We travelled, we travelled, we travelled through the evening,
We travelled, we travelled, we travelled many miles,
Down to Bethlehem, where our journey ends,
We're gonna see a miracle, a once-in-a-lifetime miracle.*

Angels

3. We shared the news,
We carried the message,
We raised the roof,
We lifted a joyful angel song.

Mary & Joseph

4. We found a space,
It's only a stable,
A humble place
Not fit for a Saviour to be born.

FINAL CHORUS

All

*We travelled, we travelled, we travelled through the evening,
We travelled, we travelled, we travelled many miles,
Down to Bethlehem, where our journey ends,
Down to Bethlehem, where our journey ends,
Down to Bethlehem, where our journey ends,
We're gonna see a miracle, a once-in-a-lifetime miracle.*
