

ONLY SHEPHERDS

1. You know we're only shepherds?
We never would have guessed,
A choir of angels came and said
To pack our bags for Bethlehem.
2. You know we're not important?
Just keepers of our sheep.
We've never seen a miracle,
But God chose us to be involved.

CHORUS *We will go to Him,
We're going together,
We've got nothing much to bring
Except for excitement that we're in the story,
That we're in the story.*

3. We never would have thought it,
Not in our wildest dreams,
We know that it's unusual,
Yet God chose us to see it all.
4. You know we're only shepherds?
And somehow here we are,
The angels' news of joy resounds,
'You'll make your way to David's town.'

CHORUS x 2 (with optional harmony)

You know we're only shepherds?
