

WE'LL DANCE!

1. You've seen a miracle
And there'll be plenty more to follow,
It's so incredible
That everyone's gathered here all together.
2. The greatest story told
Has come together in a stable,
So gather young and old,
Let's get this party on!

CHORUS *So, we'll dance the roof off till we just can't keep on dancing,
And we'll sing our hearts out with a joyful heaven song,
And we'll groove, we'll keep on groovin', celebrate the good, good news
That the love of God has come and He's here for everyone!*

3. We've got a smiley song,
A song to fill the room this evening,
You'd better clap along,
We're singing out joyful sounds all together.
4. So, gather everyone,
Coz you're invited here to join us,
Let's get our groovin' on
And celebrate tonight!

CHORUS x 2

So, we'll dance!
